

# 10K/5K Run & 1 Mile Family Walk

November 15, 2014  
at the Park at River Walk

## Why?

The number of foster children in the State of California has triples in the last 20 years. Every year, an alarming increase in number of children in care is reported. Even so, last year the number of approved foster homes fell by 2%. The Legacy Fun Run is being held to raise awareness of the need for great foster families and to generate additional funds that will support that same effort. The recruitment and training of foster parents is the key to raising Foster Children with outcomes that bless generations. Children flourish when they have stable support home environments.

## Event Description

Participants can register for 10K or 5K runs which starts at 8:00am, or a 1 Mile Walk that starts at 8:15am. The Start line is located in the northwest area of the Park at River Walk in South West Bakersfield (next to Target on Stockdale Hwy). The course takes runners over the Kern River on the bike trail and then heads east on the equestrian trail on the north side of the river. The 5K turnaround is at the Calloway Dr. bridge and the 10K turnaround is just before the Coffee Rd. bridge. Water stations will be located on the course. The 1 mile walk is designed for families and stays within the park.

## Sponsorship

Legacy is looking for community sponsors that would be willing to help us achieve our ultimate goal: creating stable loving homes for Foster Children. There are other ways you can help give a child a Legacy. To find out how, visit Legacy at [www.legacyfamilyservices.com](http://www.legacyfamilyservices.com).
